

“Quenching the Thirst of Mother Earth™”

STRONG LAWN™ RESIDENTIAL LAWN CARE PROGRAM

GroPro Organics™ is excited and proud to be bringing to the attention of consumers around America an Organic and all Natural Lawn Care Program. Strong Lawn's™ Residential Lawn Care Programs' "6-Pack In a Box" and "8-Pack in a Box" are complete programs for your lawn. These all in one solutions to lawn care are available in the Basic and Advanced Programs, with the 6-Pack containing 6 easy to apply liquid applications and the 8-Pack, you guessed it, 8 easy to apply applications. Our products are applied monthly throughout the growing season and come clearly labeled informing you which product to apply each month. You will never need a lawn care company to service your lawn again.

“Attach to Your Hose and spray; Let Mother Nature do the Rest!”

Both Strong Lawn™ programs contain everything you need to build and maintain healthy soil eliminating and/or reducing the need for synthetic chemical fertilizers. Our humate products are a complete package of stable organic matter, humic and fulvic acids, over 70 trace minerals, micronutrients and an enhanced, indigenous biological population. These ingredients along with proper watering and mowing procedures will ensure a lawn that all your neighbors will envy and every golfer will say that your lawn looks like a golf course fairway!

GroPro Organics™ is proud to bring our incredible organic humate and other fertility products to the market under the branding of Strong Lawn™. These products have been in widespread use, for a quarter of a century, throughout millions of homes in the United States and around the world, the golf course industry, professional athletic fields, municipalities, major universities, commercial turf management companies, and all forms of agriculture production.

Both programs contain all of our unique organic liquid soil amendments and fertilizers, with the advanced program containing an additional two applications of our Super Stimulant™ and Go Green™ 6-0-0. These special programs “In a Box” are self contained with all of the ingredients to make the perfect lawn. We will include a hose end sprayer that easily attaches to your hose and makes applying our products simple as well as fun. In addition because we are so excited and want to share these products with you at the best price possible we are paying the shipping and handling charges for you. This offer will not last so act swiftly and take a stand to improve your lawn. Imagine an entire season of lawn care products conveniently shipped to you in one box, appropriately labeled to take the guess work out of the equation. One charge on your credit card is all you pay for and you get an entire season of incredible lawn care products.

GroPro Organics™ is committed to providing cost-effective organic products for the growing army of institutions, corporations, municipalities and individuals who are choosing sustainable, environmentally friendly horticultural practices.
